CodeRED

Immediate Public Emergency Notification

In an emergency, such as an evacuation, Washington County and our City has the ability to reach a large number of residents in a very short time by using CodeRED. CodeRED is a web-based, mass notification system that sends out messages via telephone, text messaging, and email. When you sign up for CodeRED, you choose by what

method you want to be notified. You can download the free CodeRED Mobile Alert app today to stay informed on your mobile device.
