

New Resident Resources and Contacts

If you are moving to Lake St. Croix Beach, you may need to connect with any or all of these local service providers. In some cases, like trash and recycling, the provider operates under an approved service arrangement that may be subject to change in the future.

Recycling

Highland offers single-sort recycling for free, the can with the yellow top and it's picked up weekly.

DO NOT PLACE GARBAGE IN THE SINGLE-SORT CONTAINER. No Plastic Bags or Styrofoam Please.

*Recycling fees are included in the city budget for taxing purposes. Although no resident sees a direct fee, increased recycling can produce a "city share" from the recycle hauler. It means that the more we recycle - over and above our contracted tonnage - the recycle hauler will return a monetary "city share" back to the city.

CALL BEFORE YOU DIG

For your safety, you are required by law to call at least two working days before you plan to dig so your underground utility lines can be marked. Call 811, it's free!
